## Save money and reduce your carbon footprint!

### Rising oil prices got you worried?

Northeast Bank and Finest Hearth have teamed up to help make a difference in the environment and in your budget with a special offer on Wood Pellet Stove financing.

### Why a Wood Pellet Stove?

Wood pellet stoves burn more efficiently than oil and are less expensive than petroleum-based fuels. The pellets are a renewable and abundant resource, lessening the impact on our environment.

### Why a Wood Pellet Stove Loan from Northeast Bank?

- ▶ Low Rates on Loans from \$500 up to \$5,000\*  
(These rates are lower than most home improvement loans and credit card interest rates)
- ▶ No Fees – No Waiting – No Hassle

### It's easy to get started

- 1 Pick out your stove
- 2 Call Northeast Bank at **1.800.284.5989** OR
- 3 Tear off the attached card and visit one of our branches or give it to your hardware store representative
